

Product Discontinuance Notification — PDN # 18050401

1st August, 2018

Dear Valued Customer:

The purpose of this letter is to inform you that Moxa is planning to discontinue certain products. Please review the detailed information given below to determine how these discontinuances will affect your products and/or processes. If you have any questions regarding these changes, please contact the person listed at the bottom of this notice.

Subject:

The –IEX models in the EDS-205A Series and EDS-408A Series will be discontinued.

Service Level:

Basic

Effective Date:

The –IEX models of the EDS-205A Series and EDS-408A Series will be discontinued from July 31st, 2018.

The phase out date will be January 30th, 2019.

Last Buy Date:

Last buy orders must be received before December 31st, 2018.

Customer Part Numbers/Model Names:

N/A

Change Description:

As the IECEX/C1D2/ATEX certification will be a required specification for the EDS-205A and EDS-408A Series, we will phase out the –IEX models (which were previously the only models in this series to have those certifications).

Recommended Replacement Products Delivery Schedule:

IECEX/ C1D2/ ATEX-certified EDS-205A and EDS-408A models will be available from June 15th, 2018.

Note:

1. If you need any of the products that will soon be discontinued for an existing project, please contact your Moxa sales representative to place orders before July 1st, 2018.
2. All service rules (e.g., warranty) will still apply to discontinued products.
3. If you need any further information regarding this Product Discontinuance Notification, please contact the product line manager, Angus Wang. angusth.wang@moxa.com or your regional sales representative.
