

Product Change Notification – PCN # 000695

13th February, 2020

Dear Valued Customer:

The purpose of this letter is to inform you that Moxa is planning to implement a change to certain products. Please review the detailed information given below to determine how these changes will affect your products and/or processes. If you have any questions regarding these changes, please contact the person listed below.

Subject:

The MGate 4101-MB-PBS series will be changed due to component's end of life and remove CD from the package list.

Service Level: Basic

Effective Date: April, 2020

Model Names/ Current Version/ New Version:

Model Name	Current Version	New Version
MGate 4101-MB-PBS	Product Rev. v1.1.0 (Firmware v1.5)	Product Rev. v1.2.0 (Firmware v2.0)
MGate 4101-MB-PBS-T	Product Rev. v1.1.0 (Firmware v1.5)	Product Rev. v1.2.0 (Firmware v2.0)
MGate 4101I-MB-PBS	Product Rev. v1.1.0 (Firmware v1.5)	Product Rev. v1.2.0 (Firmware v2.0)
MGate 4101I-MB-PBS-T	Product Rev. v1.1.0 (Firmware v1.5)	Product Rev. v1.2.0 (Firmware v2.0)

Change Description:

- The current products will be changed because the Flash, Crystal and PROFIBUS slave chip SPC3LV used in the current versions have been phased out. The Flash change may request a firmware upgrade, but it's still backward compatible and will not affect user's scenarios.
 - The new version hardware cannot work with the old version firmware. If you had to use the fixed firmware, please contact your regional sales contact.
 - The old version hardware can directly be upgraded to the new firmware version if you would like to try new functions. The existing functions will all remain the same.
- Remove CD from the package checklist.

Moxa Inc.

Fl. 4, No. 135, Lane 235, Baoqiao Rd., Xindian Dist.,
New Taipei City 23145, Taiwan, R.O.C.
