Life cycle notification #62
Last Time Buy for 1000Mbit/s Copper SFP

For the product listed below, we are now issuing a Last time buy.

Part number	Sales part description	Last time buy	Last order shipment	Replaced by part number
1100-0148	GTX100-Copper,RJ-45,100m, 1000Base TX	2021-03-01	2021-06-30	1100-0179

Due to an unexpected Last time buy situation from our suppliers we are forced to issue a Last Time Buy for this SFP with short notice. We currently hold a small stock of the current SFP (1100-0148), which could be depleted before the replacement SFP is fully implemented. Westermo is currently validating the new SFP. Once validated, the replacement SFP will be available for order.
