

Product Change Notification – PCN000741
27th October, 2020

Dear Valued Customer:

The purpose of this letter is to inform you that Moxa is planning to implement a change to certain products. Please review the detailed information given below to determine how these changes will affect your products and/or processes. If you have any questions regarding these changes, please contact the person listed at the end of this letter.

Subject:

Product Change for IEX-402-VDSL2 Series.

Service Level: Basic

Effective Date: 1st December, 2020

Model Names:

Product Series	Current Version	New Version	Delivery Schedule
IEX-402-VDSL2	1.2.0	1.2.1	1 st December, 2020
IEX-402-VDSL2-T	1.2.0	1.2.1	
IEX-402-VDSL2-T (CV-CT)	1.2.0	1.2.1	

Change Description:

1. In order to enhance the production yield rate, we made a minor modification on the PCB layout between the power regulator and VDSL2 chipset to adjust the power sequence.
2. This change will not affect the product's outlook, form, fit, functionalities, or regulatory approvals.
3. This change will not affect the production or delivery schedule.

Delivery Schedule:

We will keep supplying the current products and perform a running change to phase in the new version from 1st December, 2020.

If you have any questions, please email gary.chang@moxa.com or contact your regional sales representative.
