

Product Discontinuance Notification — PDN #0000322427

29 October, 2020

Dear Valued Customer:

The purpose of this letter is to inform you that Moxa is planning to discontinue certain products. Please review the detailed information given below to determine how these discontinuances will affect your products and/or processes. If you have any questions regarding these changes, please contact the person listed below.

Subject:

The ioThinX SK-4510 (starter kit) will be phased out in the near future.

Service Level:

Basic

Effective Date:

ioThinX SK-4510 will be discontinued starting 31 December, 2020.

Last Buy Date:

Last buy orders must be received before 31 December, 2020.

Model Names:

The ioThinX SK-4510 is composed of one ioThinX 4510 and three I/O modules, 45MR-1601, 45MR-2600, 45MR-3800 along with an I/O board for easy demoing purpose.

The discontinuance of the starter kit removes the ready-to-experience capability as it comes with pre-configured and pre-wired I/O. But the individual adapter (ioThinX 4510) and I/O modules (45MR series) are still available except for the I/O board and outer box.

To Be Discontinued		Recommended Replacement Products
Item	Model Name	Model Name
1	ioThinX SK-4510	ioThinX 4510
2		45MR-1601
3		45MR-2600
4		45MR-3800

Change Description:

The product model ioThinX SK-4510 is being discontinued because of the promotion program ended. The standard models can still be procured and an owned starter kit can be built with the technical instruction upon request.

Recommended Replacement Products Delivery Schedule:

ioThinX 4510, 45MR-1601, 45MR-2600 and 45MR-3800 are available now.

Note:

1. All service rules still apply to discontinued products.

Note: If you have questions, please contact ZakPC.Cheng@moxa.com or your regional sales contact.
