

Product Change Notification—PCN#PCN000899

May 27, 2022

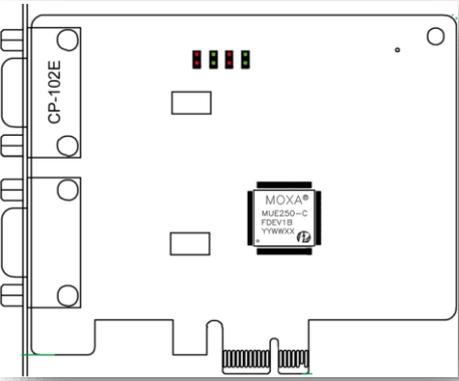

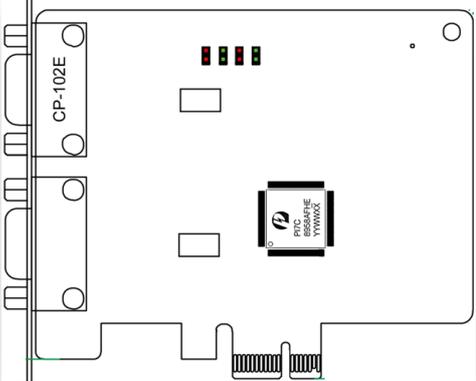

Dear Valued Customer,

We would like to inform you that Moxa is going to add an alternative UART to the CP-102E/102EL Series and CP-132EL Series. These changes will be implemented June 01, 2022. Please review the details below to determine how these changes will affect your products and/or operations.

What will change?

Changes will be made to the CP-102E/102EL Series and CP-132EL Series because of a component shortage issue. We will include an UART as a secondary source to keep the product supply stable. The alternative UART is pin-to-pin compatible with the original design, and the features, functions, and performance remain the same.

Primary Source	Secondary Source
	

Model	Appearance of Primary Source	Appearance of Alternative Source
CP-102E		

<p>CP-102EL-DB9M</p>		
<p>CP-132EL-DB9M</p>		
<p>CP-132EL-I-DB9M</p>		

Which products will be affected?

Product Name
CP-102E
CP-102EL-DB9M
CP-132EL-DB9M
CP-132EL-I-DB9M

If you have any questions, please contact Sean Chou at seansh.chou@moxa.com, or contact your regional sales representative.
