

Product Discontinuance Notification—PDN# 0000371219
September 01, 2022

Dear Valued Customer,

We would like to inform you that Moxa is going to discontinue the following accessories V2400-LTECat4-NA and V2400-LTECat4-EMEA for the V2406C-KL Series. The reason for the discontinuance is that we want to ensure the V2406C-KL/WL Series supports Telit LE910C4 modules. This process will effectively begin September 01, 2022.

If you need any of these discontinued products for an existing project, please contact your Moxa sales representative to place orders before February 01, 2023. Also, please note that last-buy orders may be subject to availability due to components reaching their end of life. Please review the details below to determine how these discontinuances will affect your products and/or operations.

Which products will be discontinued?

Please see the models recommended to replace the soon to-be-discontinued models, as well as when the replacement models will be available for order.

Discontinued	Recommended Replacement	Available for Order
V2400-LTECat4-NA	V2406C-LTECat4-NF	Available Now
V2400-LTECat4-EMEA	V2406C-LTECat4-EU V2406C-LTECat4-AP	Available Now
