Product Change Notification—PCN# PCN000958

February 3, 2023

Dear Valued Customer,

We would like to inform you that Moxa is going to make changes to the UC-8540 Series. These changes will not affect the price and will be implemented by a running change. Please review the details below to determine how these changes will affect your products and/or operations.

What will change?

The following changes will be implemented to the new version of the UC-8540 Series:

- TPM v2.0.
- Updates Debian 8 (Security patches)
- Support for Moxa Industrial Linux 1.1 (Debian 9) will be available on the product website.

Moxa Industrial Linux (MIL) document center is now online where you can find a detail list of changes for MIL on each UC Series, including package added, upgrades, removed and security patches applied.

https://docs.moxa.online/mil/

Which products will be affected and when will the new versions be available?

Product Name	Current Version	New Version	Available for Order
UC-8540 Series	V1.0.0	V1.1.0	July 2023

If you have any questions, please contact Alicia Wang at AliciaCF_Wang@moxa.com or contact your regional sales representative.
